WINTER 2020

Winter is quickly approaching and so is the snow! If a storm is expected, please contact our office to check if our business hours have changed due to the impending storm.

We wouldn't want you to drive to the office with slippery streets only to find our office closed early! Be safe and take all precautions this winter and snowy season!

ATM Fraud Prevention

Your AFCU ATM cards are being monitored 24/7 for fraudulent activity. If suspicious activity appears on your card, you may receive a call from Falcon/Fraud Department as your ATM card is being "blocked". The attendant on the phone will ask you some "verification" questions to verify your identity. They will never ask you for your ATM card number or PIN# & do not give this information to anyone! They will verify activity performed on your card with you to see if there is any fraudulent activity. If activity is not fraudulent, they will reset your card for your continued use. If you are not comfortable speaking with them, feel free to contact our office during normal business hours & we can assist you as well.

**AS ALWAYS OUR MEMBERS SAFETY
IS OUR UTMOST CONCERN.**
